EMPLOYEE BULLETIN

EB No. 564

17 January 1977

Mr. Sorensen asked me this afternoon to convey word of his "tremendous impression" of the very high quality of the personnel in CIA. He particularly appreciates the efforts of those who invested so many long hours in helping him to prepare his planned entry into the position of DCI. He asked that all those involved at all levels from Deputy Directors to Dining Room Staff be given this word and he told me that he wished all of us in the Agency all the best for the future.
